

## Travel Survey for Fair Mile / Cholsey Meadows 2019

This Survey is part of the Cholsey Community Development Trust's remit to promote a 'greener' lifestyle. This was a Planning requirement when The Trust was first set up and is also an aim within our Constitution.

The purpose of this survey is:

- 1. To find out current patterns of car usage, walking and cycling for:**
  - Work
  - School
  - Shopping
  - Health / medical
  - Leisure
  
- 2. To identify what we could do here in Cholsey to encourage us all to use our cars less often, and to walk or cycle more often**

If you require any help in completing the survey, or would like a paper copy, please contact Anna on [info@cholseycdt.org.uk](mailto:info@cholseycdt.org.uk). All information you provide will be used in the strictest confidence. The data will remain anonymous and cannot be traced back to any individual.

**If this is an issue that you feel passionate about and you would be willing to help us with, please can you include your name and contact details here:**

(these will not be shared anyone outside of Cholsey Community Development Trust)

Thank you for your time in completing this survey

### Main Question:

**If there was one thing that would encourage you to use your car less, what would it be? *Please only answer with options that we can achieve here in Cholsey (not global issues)!***
